

Welcome New Members of Council!

Please join us in welcoming **Mayor Rick Taylor** to his new role! Rick is certainly no stranger to our community, and we are pleased to have him serving as Mayor.

We would also like to WELCOME BACK **Councillor Paul Winquist**, who continues to bring his experience and commitment to Council.

And a warm welcome to our newest **Councillor, Marc Tremblay**! We look forward to having Marc join Council and becoming an active part of the team working on behalf of the Village of Craven.

We look forward to working together and continuing to serve our community!

NEW DOG LICENCES & DOG CONTROL BYLAW

A reminder to all dog owners in the **Village of Craven** that dogs must be registered and licensed with the Village in accordance with **Dog Control Bylaw No. 04-2026**.

Dog licences expire on **December 31**. Please ensure your dog's licence is kept current and renew your licence each year.

DOG LICENCE FEES

- **Unneutered male dog:** \$15.00
- **Neutered male dog:** \$10.00
- **Unspayed female dog:** \$15.00
- **Spayed female dog:** \$10.00

MAXIMUM NUMBER OF DOGS

The bylaw also establishes a limit on the number of dogs permitted on a property. A **maximum of two (2) dogs over three months of age may be owned, possessed, harboured or maintained on the same property within the Village of Craven.**

 **FEES & PENALTIES** The bylaw also establishes penalties for violations. For example:

Harbouring more than two (2) dogs on the same property: \$200 first offence / \$500 second or subsequent offence. **Running at large:** \$200 first offence / \$300 second or subsequent offence. **Failure to clean up after a dog:** \$100 first offence / \$200 second or subsequent offence.

Dogs found running at large may also be seized and impounded, with applicable impound and veterinary fees charged to the owner.

The Village encourages all residents to ensure their dogs are properly licensed and that they are following the requirements of the Dog Control Bylaw.

Road Improvements in the Village of Craven

The Village of Craven is pleased to share an update on the recent paving improvements completed on **Highway 99/Tennant Street and Fraser Avenue.**

These projects have been an important investment in our community. The paving work has improved the condition of these roadways and will provide residents, businesses, visitors, and other users with a smoother and more reliable route through and around the Village.

The **Fraser Avenue paving project** was also important because this roadway provides access to the area west of Highway 99 and is used by traffic travelling to and from the surrounding rural area. Improving this section of road helps address the ongoing wear and maintenance concerns associated with the amount of traffic using the route.

The Village would like to recognize and thank **W.F. Botkin Construction Ltd., the Ministry of Highways, and WSP Canada Inc.** for their involvement and assistance with these projects. Their cooperation, expertise, and willingness to work with the Village helped move the projects forward and address the Village's needs along the way.

As a small municipality, projects of this size require considerable coordination between the Village, contractors, consultants, and government agencies. We appreciate everyone's efforts and professionalism in helping bring these improvements to completion.

The Village of Craven is proud to see these improvements completed and thanks everyone who contributed to making these projects a success.

**Thank You,
Craven Green Squad!**

A big **thank you to the Craven Green Squad** for all of your hard work helping keep our community clean, tidy, and looking its best! Your time and effort are greatly appreciated.

If you would like to be part of the Volunteer Clean-Up Committee crew, please contact the Village Office to have your name added to the volunteer list.

If you or someone you know requires assistance with **yard clean-up**, especially seniors or residents who may need a little extra help, please contact the Village Office. We will do our best to coordinate support where we can.

Thank you to everyone who volunteers, lends a helping hand, and takes pride in keeping Craven clean and looking its best!
